

# Private Groups at Eagle Canyon

By **Confluence Outfitters**

**Eagle Canyon is a great venue for a private group outing. We have hosted corporate groups, family groups, and fly fishing clubs. We have two lakes that are easily fished from shore, by wading, or by float tube. The lakes are stocked with trout from 4 to 15 pounds. Our average fish is about 6 pounds. Our 2014 season is January 4<sup>th</sup> through April 15<sup>th</sup>.**

## **Base Rate**

We charge \$1000 for the use of the facility for one day. This rate includes exclusive use of the facility for your group. Our host will assist your group throughout the day.

## **Catering**

We can arrange for a delicious catered lunch from **2 Buds Beans & BBQ** in Red Bluff. We charge \$25 per person for a hot lunch that includes three meats (beef, pork & chicken), 2 salads, beans, bread, and all the plates & utensils. You can bring your own drinks or we can provide them at an additional cost.

## **Equipment Rental**

We can supply rental rods and reels for \$20 each. Float tubes are available for rent for \$20 each.

## **Guide Service**

If your group has beginners we highly recommend hiring one or more guides. Our fish can be very smart. They are also very large and can be difficult for beginners to hook and land. Hiring a guide can make the difference between a challenging day and a day with plenty of big fish in the net. We can arrange for guiding at \$425 per guide. Each guide can provide rods and reels for two anglers at no extra charge.

## **Group Size**

We can handle up to 8 anglers in a private group.

## **Deposit to Reserve a Date**

We require a \$500 deposit to reserve a date for your group.
